VOL. 33

BARIUM SPRINGS, N. C., OCTOBER 1955

No. 10

## Homecoming Plans Now Complete

Friday, October 21st, has been set for the Homecoming. Former students and friends of Barium Springs are expected to pour in from all parts of the State and South to renew their acquaintances on the campus and to take part in the day's activities.

At eleven o'clock in the morning there will be a chapel program and pep meeting in the elementary school building. The principal, R. G. Calhoun, and the boys and girls of the school will be in charge of this program. At high noon in the big dining room Alumni and students will gather for the noon-day meal. At 1:00 P. M. a memorial service will be held in the church remembering the boys who gave their lives in service and setting apart the pulpit of the new church in their memory. When the plans for the new church were underway the former students wanted to make a particular donation in memory of their comrades who had given their lives in the service of their country. The money was raised and has been set aside for this purpose and the Home will receive the check and the pulpit will be dedicated on this Homecoming Day.

Immediately after the mem-  
(Continued On Page 2)

## Twenty-five New Children Enrolled

The first of October found sixteen new children on the campus at Barium Springs and nine more on the way. So, in one-third of the year one-half of the space available has been assigned. It now looks as if the total space of the Home will be taken up long before the year's end arrives.

Graduation always brings about the leaving of the senior class and during the summer months some children are restored to their homes or may have plans made for them away from Barium Springs and these places are made ready for some newcomers. During each year it is necessary to make a few adjustments and thus the process of intake and outgo is carried on at Barium Springs. There is more space for admissions during this year than formerly because of the rearrangement of the housing on the campus. It is anticipated that the enrollment will be running over before the year's end is reached.

## Women of Synod Visit Barium

Not only have the men of the Synod of North Carolina been present in the meeting of Synod but also the women in their regular fall meeting gave Barium a visit. While the sessions were held at Davidson College a supper meeting was planned at Barium Springs and on Tuesday evening, the first day of the meeting, a motorcade from the college made its way to the campus. After a tour of the cottages and the new church, they gathered with the children in the dining room for the evening meal.

Upon their arrival the women were greeted by the official hostesses and then the younger children were ready to act as escorts to show the members of the group the campus, the buildings in which they live, the place where they  
(Continued On Page 3)

## Hendersons Join Barium Family

Mr. and Mrs. Hubert B. Henderson and their three-year old son have come to live with the boys and to be a part of the life of the Home. Mr. Henderson will be the boys' supervisor and the director of recreation. For this work he is well fitted by training and experience. Coming from Thomasville where he was director of City Recreation and a member of the First Presbyterian Church, Mr. Henderson has a fine record of service to both his church and to his community. A deacon in the Presbyterian Church, he has served as chairman of the Board, and was recently elected superintendent of the Sunday School. Born in Missouri, he received his high school and college education there. He did a three-year hitch in the service from 1943 to 1946 in the U. S. Air Force as Physical Training Instructor.

Mrs. Henderson is a native North Carolinian who, after her college graduation, has had a number of years experience in teaching younger children.

The long search for a qualified person to direct the lives of the boys at Barium Springs has ended. The Hendersons are eminently qualified to render a distinguished service to the church and to be real leaders for, not only the boys, but the whole campus in the work that shall be their special interest.

## Six Hundred Men Attend Rally

Six hundred men from Concord Presbytery attended the annual rally at Barium Springs on October 11th. This gathering of the men is one of the highlights of fall on the campus. Everybody had been busy in getting ready and 1330lbs. of barbecue had been laid on the cooking rack and was ready for serving. Because the crowd would overflow the dining room, picnic style was used. Lights were stretched across the campus in front of the dining hall and tables were set up as the scene for serving not only the men who were present but also the big Barium family at the same time. From 5:30 until 7:00 o'clock food was pouring from the kitchen to the serving tables and being passed out to the nearly one thousand people.

Following the supper at 7:30 there was an assembly of these men in Little Joe's Presbyterian Church. Every seat was taken and extra chairs were placed in aisles and the overflow sat in Fellowship Hall where loud speakers had been set up for the crowd.

A male quartette from Le-noir made up of Messrs. Long, Kirsten, Barnhardt, and Beall, gave a highlight to the music of the evening which was also joined in by the entire congregation in congregational singing under the direction of Mr. Kirsten.

The business meeting was followed by an address by Dr. A. W. Dick from Memphis, Tennessee.

In his address Dr. Dick told of the outstanding work of the Memphis Presbytery in the field of stewardship.

Dr. Dick said the stewardship committee was invited by every church in the presbytery to present the program and the principles of stewardship to the church officers.

The result, he said, was a big increase in the contributions to the various causes of the church in that area.

Dr. Dick outlined two "great principles of stewardship."

1. The sovereign ownership of God in every realm of our lives.

2. That man is a steward and must give an account of what he has to God.

"How much would there be in the world tonight if there was nothing more that you had contributed to it?" Dr. Dick asked his audience.

"Time," said Dr. Dick, "is just a section out of eternity

## Kiwanis Entertains School At Fair

You may not be able to recall what you did on September 28th, but every boy and girl at Barium Springs can tell you what they did on that afternoon. For two weeks the excitement had been building up and on Monday afternoon at five o'clock when the first rocket was set off to announce the opening of the Fair on the edge of the campus at Barium Springs the tempo of excitement increased, building up to a tremendous crescendo by noon on Wednesday.

After lunch in the dining room on Wednesday the children returned to their school rooms, not for any concern

## Tornadoes Take Greyhounds By 13-7

By Jerry Josey

Barium's air supremacy struck deadly in the fourth quarter to break a 7-7 deadlock here on Friday afternoon, October 7, and the Presbyterians walked off with a well-earned 13-7 victory over the Greyhounds of Statesville in their traditional battle in the North Piedmont conference ranks.

Barium's passing attack, with tailback Lawton Rice and end Charles Creech connecting for the big gains, rolled up 124 yards on four completions out of nine attempts, plus a wanting Greyhound pass defense, to gain their victory.

On the ground, there was little to choose between the two teams as Barium hit a net rushing total of 91 yards and Statesville had 79.

It was Barium's passing game that definitely earned them the victory, using a couple of draw plays to good advantage. A screen pass from Lawton Rice to Walter "Dub" Plyler picked up 44 yards in the second period after Barium had let the Statesville line romp on through without opposition. And a pass from punt formation netted another long gain for the Tornadoes and gave them a first down in  
(Continued On Page 3)

## ALUMNI NEWS

Charles Barrett was married to Barbara Ann White of Greensboro in the Chapel of the First Baptist Church of Greensboro on Saturday, October 1 at three in the afternoon.

Charles graduated at the University of North Carolina this summer and is doing

**Cottage News****Howard Cottage**

We at Howard Cottage are experiencing some happy times. One which was not too happy for most of us was report cards, which came out Monday. We had only one person on the honor roll. She was Joyce Ann Hughes. She has been a good student all through school.

We had two birthdays to come up. Vickie Brafford's is in September and Linda Shepherd's is in October. We gave them a birthday party and boy were they surprised!

We are very glad to have Miss Taylor back on the campus with us again. Miss Taylor has been a great help to us.

We have a new housemother now. She is Miss Sims. We are enjoying having her very much. She is very nice and we all love her.

Bye, bye for now.

The Bean Stringers

**Baby Cottage**

Here we are, back again to bring you our news.

We will have to change the name of our cottage if we don't watch out. We have six boys who go to school. Only five girls and four boys are too young.

Monday we got new school grades, report cards came out. Three of our boys made the honor roll. Mitchell Brumley made one S—. One of the housemothers asked him how he was getting along. "I ain't doin' so hot," he said.

We ate our supper at the cottages last night. They ate so much we thought we would have a few stomachs to sew up.

That about rounds up our monthly news (which is written about every four months).

So long for awhile,  
Baby Cottage

**Lees Cottage**

In June Miss Ford and six of her boys moved to one of the new cottages, and left Lee's with fourteen boys.

After Miss Ford left, Mrs. Watson became our housemother.

Billy Wayne Hall, a boy who had lived at Barium for quite a while, went home. So when Phil Perdue came, the number stayed the same.

Every boy in Lee's went home on vacation except Phil Perdue, Clarence Wilkins, Bill Rannells, and Douglas Finley. We had a good time. Clarence and Bill worked at the dairy. Douglas and Phil worked out in the fields.

The bigger boys worked in the canning house and in the fields too.

We had a good time on vacation at Barium while they were gone.

Clarence and Bill had a chance to go to Mt. Mitchell. Clarence didn't want to go but Bill did, he went and had a good time.

**Alumni News**

(Continued From Page 1)  
graduate work.

Earl Allen was married to Elsie LaRue Bullock of Lumberton on September 24th in Covenant Pres. Church, Charlotte. N. C. Bobby Allen was best man and Benny Gregory and Fred Cole were ushers.

Joyce Kelly, student at the Presbyterian Hospital of Nursing was a visitor on the campus.

Lena McLean, student at South Eastern Beauty School in Charlotte, spent the weekend at Barium.

Delores Ramsey of Winston-Salem spent the day at Barium. She is working in the office at General Electric.

Mrs. Frank Carson (Louise Martin) and children of Winston-Salem were visitors on the campus.

Cecil Bursleson and Jimmy Johnson were visitors on the campus. They both were discharged from service recently.

Joe Barkley is home on leave from the Navy and has visited Barium, after which he will return to his Aircraft Carrier, USS Essex, Bremerton, Wash.

Albert Williams is at Barium, having a furlough at this time. He is stationed at Roswell, New Mexico.

Mr. Robert Currie and family from Shelby were visitors on the campus.

Born to Lee and Rachel Spencer of Statesville on Sept. 22nd a son, Earl Hickman.

Born to Charles and Jean (Turlington) Bradshaw of Clinton on September 16th a son Charles Glenn.

Elsie (Vest) and Paul Barnes have a little boy, Daryl Alan born September 21st at High Point. Paul is teaching in Allen J. High School near High Point.

Merton Cox has been transferred to Denver, Colo. and will be in school there for twenty weeks.

**Six Hundred Men**

(Continued From Page 1)  
placed in your hands and mine in which to live and serve

God."

Dr. Dick said we should devote our material possessions to God's service in the same way we devote time.

The Memphis pastor reminded his listeners that 25 or 30 years ago the churches of America were challenged to either send a thousand missionaries to the Orient or face the possibility of sending a hundred thousand bayonets later on.

"Our church," said Dr. Dick, was asked at that time to send 100. We sent 10."

"We could not send 100 of our own young people," he said, "but already we have sent thousands of soldiers to the front."

In addition to hearing an address by Dr. Dick the Presbytery elected new officers.

Elected were Fielding Clark of Conover, president; William D. Brown of Hickory, secretary-treasurer; Edgar Readling of Concord, vice president for Cabarrus County; George Robbins of Lenoir, vice president for Caldwell County; Clyde S. Kaiser of Brookford, vice president for Catawba County; Angus Stronach of Statesville, vice president for Iredell County; R. D. Walker of Morganton, vice president for Burke County; T. Walton Clapp of Marion, vice president for McDowell County and Arthur Roach of Salisbury, vice president for Rowan County.

Named ex-officio officers were Carey Lowrance of Mooresville; the Rev. Earl Thompson of Spencer, Thompson B. Southall of Statesville and Dr. J. O. Mann of Charlotte.

**UNDER THE STEEPLE – Nuggets of News****FROM LITTLE JOE'S CHURCH**

By

ROBERT R. COLLINS, Minister

This column is being written the week following our observance of the Lord's Supper in Little Joe's Church. With untold numbers of Christians around the world we came to the Lord's Table on the first Sunday in October to receive anew Christ who is "the Bread of Life". In the Communion Meditation I sought to point out the way in which Christ is present with us at His Table. The believer, as he partakes of the bread and wine, finds that the presence of Christ is a sustaining presence. Our Lord gives us strength and support as we feed in faith upon the elements of the sacrament. Even as bread and the fruit of the vine are basic the world over for physical nourishment, so as symbols of the Body and Blood of Christ it is necessary that we receive the spiritual nourishment that is offered to us in this sacrament. But we need always to remember as we come to Communion that the presence of Christ is a spiritual presence. His reality is an inner experience within the heart of the Christian. As we receive Him anew into our lives we discover again that we are the Body of Christ, the Church. At the Lord's Supper we are reassured that He remains with us always, the unseen but ever-present guest at every table. Sustained and supported by this fact we can face the world with the confidence that "we are more than conquerors through Him who loved us."

Now, in the light of the above truth it is well that we ask ourselves as Christian people how much time we devote to strengthening our faith by feeding on Christ who alone is "the Bread of Life"? Every day we give food to our hearts and minds. Through television, radio, newspapers, magazines, and movies we take into our lives facts and fantasy that are unconsciously molding our character and spirit. And as these mediums of influence play an increasing role in the thinking of all people, it seems imperative to me that we consider seriously the question of whether we are giving sufficient emphasis to the growth of our spirits in a Christian way. To be specific, what percentage of your time each day is given to a study of God's Word, private and family prayer, and active participation in the program of your church? When you compare the time spent in these activities with the time consumed by the secular interests listed above, do you feel that you are getting sufficient spiritual food for your Christian life?

In conclusion, let me say that all of this is no academic matter. Here at Barium Springs in Little Joe's Church we have some 225 children. It is our responsibility to provide sufficient Christian nurture for each of these children. Their future depends on our faithfulness in providing a church, a home, and a school atmosphere that is adequate for the spiritual hunger that is native to every creature of God. This task has been given to us by you, the people of the Synod of North Carolina. As you read this paper in the comfort of your own home, surrounded by your children and the members of your family, remember the responsibility is not only to those who are under your roof, but to each child of God who is Under the Steeple of Little Joe's Church. To those of us here, supported by each of you across the Synod, has been committed the privilege of making it possible for each of the children here to partake of Christ who is "the Bread of Life".

the Presbyterian Tornados. In connection with this game the seniors of the squad will be playing their last time under the red and black on Sloan Field for Barium Springs.

Campus Scenes

### Tornadoes Take

(Continued From Page 1)  
their drive for the winning touchdown.

Defensively, it was the work of the Barium forward wall—Lawrence Ramey, Ernest Austin, James Woodall, LeNair Burns, Ronnie Hudgins, Jim Campbell, Charles Creech and James Harwell—that bottled up Statesville's speedy ground attack and cracked through to stop the Greyhounds on drives.

Statesville's best defensive efforts came in the second period just before halftime intermission as Harold Sherrill, Bucky Johnson, Butch Allie, Bill Campbell, Booker Clarke, David Tharpe and Mike Wilkinson succeeded in halting the Tornadoes on the Statesville seven.

Fumbles - Statesville's biggest enemy - counted again for the opposition. And a lacking

pass offensive in desperation attempts to gain against the Presbyterians netted Statesville only 35 yards with three completions out of 14 tries. Barium intercepted a pair of the Greyhound tosses and returned them for 31 yards. All total, the Greyhounds counted eight bobbles in the backfield with Barium recovering two of them - both times LeNair Burns, Barium's center, pounced on the loose pigskin.

Burns recovered his first fumble on the Statesville 22 as Dale Beck fumbled Dent Tillery's handoff. Barium started a quick drive that led to their first touchdown.

Lawton Rice grabbed one yard, Ralph Joyner cracked through the center of the line for two more and Rice passed to End Lawrence Ramey for a first down on the Statesville one for an 18-yard gain.

Joyner rammed through center for the score and Ronnie Hudgins' perfect kick split the uprights and the Presbyterians had a 7-0 lead.

Statesville drove on the ensuing kickoff to the Barium 24 before being stopped on downs early in the second period. An exchange of punts found Barium driving toward paydirt again, with the 44-yard screen pass from Rice to Plyler eating up the majority of the yardage. Barium moved to the Statesville seven, only to have a penalty move them back to the 12. They again drove into paydirt with Joyner ramming over, only to have the TD call for a offside penalty back to the seven. Statesville was able to hold and take over on downs with one minute remaining in the second period.

Statesville drove to the Ba-

rium 21 in their deepest penetration in the third period, while the Tornadoes moved to the Statesville 23.

Joe Lowe intercepted Lawton Rice's arial to Lawrence Ramey on the Statesville 45 and the Hounds began a 55-yard march for their only score near the end of the third period. With Lowe, Butch Allie, Dale Beck, Jack Kale and Dent Tillery moving the pigskin, the Hounds racked up four first downs in marching to the Barium line.

Tillery pitched out to Beck, who faded and hit lanky End Lynn Mize in the right end zone for the score. The same play - Beck to Mize - counted for the point and a 7-7 deadlock.

Barium moved right back on the kickoff, driving 73 yards for the winning touchdown. Statesville had the Tornadoes in a third down, 17 yards to go situation on the Barium 36 when the decisive Barium play was reeled off.

Charles Creech, an end who does the Presbyterian punting, took the snap, faked a punt and passed to Lawton Rice on the Statesville 47 for the necessary 17 yards and a first down.

The Tornadoes roared then. Boyce Dean Smith picked up three yards to the 44 and Joyner was stopped after no gain through the center of the line. With a third and seven situation, Barium stuck for the winning tally.

Fullback Ralph Joyner took the snap from center LeNair Burns, handed off to Boyce Dean Smith who pitched out to Lawton Rice. Rice spotted Charles Creech down behind Greyhound defender Dale Beck and tossed a perfect strike on the Statesville 10 and Creech crossed into the end zone unmolested to climax a 44-yard pass play and gain Barium's final margin.

### Kiwanis Entertains

(Continued From Page 1)  
with books; the lines were to form and the procession down the railroad was to begin. It was Barium Spring' afternoon at the Fair. Admission to the Fair Grounds was free and through the kindness of the Kiwanis Club of Statesville and the management of the amusements on the Fair Grounds the whole show was turned over to the boys and girls.

After time had been spent in the exhibit halls, the gates were opened and down the hill they went to the merry-go-round, the Big Dipper, the roller-coaster, the airplanes, the tubs, and the Ferris Wheels, Et Cetera. There were candied apples, cotton candy, ice cream, pop corn, peanuts, and drinks. The afternoon was concluded with a special performance in the arena. Mr.

Holshouser, a friend of the Barium boys and girls, had given each child a bag of pop corn and ran reduced rates on the drinks so that the last event of the afternoon was topping off a wonderful four hours at the Fair Grounds.

The long line formed again and headed back to the campus. Another high light in the year's stay at Barium Springs was being tucked away in the minds of the children as a pleasant part of living.

### Women of Synod

(Continued From Page 1)

worship, and the dining room where they eat their meals. The boys and girls of the Home always delight in having guests come to the campus, and it is a distinct honor to have both the men and the women of the Synod of North Carolina within the same year.
